AND CERTAIN AGENCIES AND COMMISSIONS

and Regulatory Affairs

SUBJECT: Unified Agenda of Federal Regulations

Attached is a copy of the Unified Agenda of Federal Regulations that was published in the Federal Register on October 26, 1987. This document provides a comprehensive overview of the pending rulemaking activities of all Federal agencies that publish regulatory agendas.

The Agenda contains a subject index of the information to help readers locate entries from various agencies that may affect a particular area of interest. The numbers in the index refer to the sequence numbers that appear before the title of each entry in the Agenda. The index appears at the end of the Agenda.

We will use the information in the Agenda to update our tracking of the entries that appeared in the 1987 Regulatory Program of the United States Government.

I thank you and your staffs for your cooperation in producing this edition of the Agenda.
